

Do **YOU** have the potential to be an outstanding Primary School teacher?

We are now recruiting for a September 2015 start.

Why Primary Teacher Training?

Our belief is that every child deserves an outstanding education and this begins with a well-trained, outstanding teacher. Inspiring Leaders Teacher Training want to work with like-minded people who are willing to meet the high demands and expectations of our teacher training programme.

We are a school centred initial teacher training provider (SCITT) working with schools in Nottinghamshire and Leicestershire. We award trainees with Qualified Teacher Status (QTS) and work in partnership with Nottingham Trent University and University of Leicester to provide you with a Postgraduate Certificate in Education (PGCE). Our course is designed to induct you into the primary teaching profession. Once qualified if you obtain a job within our partnership schools we will provide ongoing support throughout your career.

If you are interested in primary teacher training our programme has the following entry requirements. You must:

- Hold a UK honours degree or equivalent, preferably a 2:1 but strong candidates with a 2:2 will be considered.
- Have GCSE or equivalent at grade C or above in English, Mathematics and Science
- A minimum of 10 days mainstream UK school experience (paid or voluntary) in a Key Stage 1 or 2 class. This must have been within the last two years and completed prior to interview.

Getting Started

Inspiring Leaders Teacher Training provide you with School Reflection log that will help to shape your experience within a school. It helps to highlight the situations you may face when looking to become a qualified teacher. This is available for all applicants and forms part of our interview process. We can also help with organising volunteering in a local school if you are interesting in building your experience.
