## Design & Technology: Cooking

Dear Year 5 families,

During the spring term, Year 5 will be completing their cookery unit of Design and Technology. In this, we will be designing and making a flour-based snack that they will need to cook in our kitchen at school.

To make the preparation for this easier, we are planning to purchase all of the ingredients needed so that families do not have to do this. To help us cover the costs, we are asking for a voluntary contribution of £1.50 to be paid via ParentPay.

To make a payment, please do so in the same way you would for trips/dinners. The payment item Year 5 DT Food Technology will be accessed via "other payment options".

We would like to thank families in advance for supporting us in offering these opportunities to the children.

Yours sincerely

Mrs Tranter & Miss Thomasson
