

BOREATTON PARK

- Suggested Kit List -

Children will need plenty of **old** clothes in case of wet & muddy weather. **PLEASE LABEL ALL ITEMS. We will confirm activities closer to departure date and make amendments to the kit list as needed once PGL send us the timetable.**

** Barwell C.E Academy, PGL or the bus company are not responsible for any loss or damage that may occur to any items during the trip.*

To hand in at check in:

- Optional spending money (in labelled plastic wallet which we provide) - £10.00 maximum.
- Medication (excluding blue reliever inhaler/epi pen). Clearly labelled with the form we will send to you closer to our departure date. Travel tablets should already have been taken for Day 1 **and handed in for the return journey.**

To carry onto the coach:

- 1 x packed lunch (in disposable container) and drink for Monday's lunch + 1x water bottle to use during the week - **including for all meals.** This can be carried in a small backpack.
- A warm, waterproof coat (a second waterproof coat may be packed in luggage). Plus, hat, scarf and gloves.
- Bed time pillow (in labelled plastic bag) – to save room in luggage hold on coach.
- Blue reliever inhalers/epi pens.

To be put in the luggage hold of the coach:

Luggage should be packed in a cabin-sized bag – a suitcase on wheels would be very helpful as the children will need to carry their entire luggage to their cabins. Please don't tie anything to handles of cases as it will need to be removed when we load the coach.

General clothing:

For some children it helps to pack each day together at home. We have found that packing a day's clothing in a labelled (day/contents) Ziploc bag can help the children to manage their outfits better.

For each general day (x4 Tues-Fri):	<ul style="list-style-type: none"> ▪ Underwear. ▪ Socks. ▪ Trousers (leggings/jogging bottoms but not jeans). ▪ T-shirt. ▪ Warm jumper or fleece. <p>It is important to pack at least 2 spare full outfits in case of bad weather.</p>
Additional clothing:	<ul style="list-style-type: none"> ▪ 1x disco outfit (can include jeans) – tbc if we need this.
Nightwear (x2):	<ul style="list-style-type: none"> ▪ Pyjamas or other nightwear. <p>Dressing gown/slippers are not required as the children will probably not have the chance to wear them and the cabins are kept warm by the underfloor heating.</p>

Clothing for wet activities (x1 as children will re-wear the same outfit for the 2nd wet activity as it is dried in the drying room)

- Leggings/jogging bottoms (not jeans).
 - T-shirt.
 - Old jumper.
 - **Very old**, light-weight shoes (tied plimsoll style is ideal).
- The rest of necessary clothing will be provided by PGL. Children are kept warm by the life preserver.

Helmet, cagoule & life preserver (from PGL)

T-shirt, old jumper, leggings/jogging bottoms

Waterproof trousers are not suggested as they can fill up with water and cause a hazard.

Old, light-weight shoes (they will get wet!)

Waterproof walking boots will not keep their feet dry when submerged in the lake!

Appropriate dress for water-based activities:

Footwear

- 2-3 pairs of trainers or boots/suitable shoes (No wellington boots) with additional warm socks.

Wash bag

- To include all the basic supplies your child will need during the week. Travel sized supplies work well as they don't take up too much space and are about the right size to last a week. Don't forget a toothbrush and hairbrush. **No aerosol deodorants are allowed.**
- Towel – for daily use in ensuite bathroom.
- Lip balm (optional)

“Dry bag” – the bag that may be taken to the shower block after the water activity.

It can help to pre-pack the drying bag with a label of what **extras** children will need (e.g. Hair brush/shoes).

- Underwear & socks.
- Trousers (not jeans).
- T-shirt.
- Warm jumper.
- **Dry shoes.**
