September 2023

Dear Year 6 families,

Year 6 Residential Visit to Boreatton Park 2023 Meeting for Parents

Each year, as part of our preparation for the Year 6 residential, we hold a meeting for our parents. This meeting aims to give families and pupils further information regarding the residential visit and an opportunity to answer questions you may have.

However, last year we introduced a more flexible and convenient delivery method to help our families, which worked really well. There will be a SWAY with the information and then an optional drop-in session for if people would like to speak with us about elements of the visit.

THE SWAY: Over the next few days, your child will receive an assignment on MS Teams. Within the assignment will be a link to a SWAY, where you will find a PowerPoint video of everything we would cover in the meeting, plus a kit list, photos and videos from a previous trip.

OPTIONAL DROP-IN MEETING: We do understand that some families may still have questions/queries or things that they would like to talk to us about regarding the trip. Therefore, we would like to invite families to an **optional** Boreatton drop-in session, where staff will be available to talk about the trip if you have anything that you would like to speak with us about.

The drop-in session will take place in school on **Wednesday 20th September 2023** from **4:00-4:30pm** – after our Open Evening.

Yours sincerely

Miss Thomasson
