LEARNING THAT LASTS A LIFETIME

Love thy neighbour in a flourishing school community

Wednesday 24th September

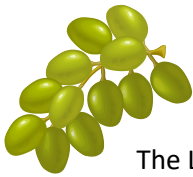

Dear families,

Harvest Thanksgiving

The children will celebrate Harvest during Collective Worship on Thursday 2nd October where will come together to share the importance of this festival.

On Wednesday 8th October, staff and children would again like to share gifts of food with those in the community. In recent years, due to the generosity of parents, children, staff and others associated with the school, we were able to donate parcels of food to the following:

The residents of Harvey House

The elderly residents of the bungalows off Church Lane and in St Mary's Court

The Local Barwell Foodbank

Our Barwell Family Table

Those who received our gifts were very grateful, and the children and staff who distributed the parcels were touched by the thanks of the elderly people in particular.

Can we please rely on your kind generosity again this year? Gifts of tinned and packaged foods are now being gratefully received in school up until Tuesday 7th October. All gifts should be brought in by the children into their class, where Learning Support Assistants will organise storage of the food. We kindly ask that no fresh produce is brought into school until Monday 6th October.

As this is a great act of Compassion in keeping with our current Christian Value for this half term and our Wellness Challenge focus, children will be awarded with House Points for making their donations.

We thank you very much in anticipation of your generous support.

Kind regards,

Victoria Newman
