Dear Parents/Carers,

We have been made aware that several titles in the '**According to Humphrey**' series contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material that should not be accessed by children at any age.

We have removed copies of the book from our school library and classroom book corners. If your child has any school reading books at home that are from this range, please ensure that they are returned to school tomorrow morning for us to suitably dispose of them.

We also advise if you have any of this range yourself that you remove them immediately.

Below are images of some of the front covers in the series to help you identify the books.

Yours sincerely,

Jodie
