Love thy neighbour in a flourishing school community

Thursday 7th May

Dear families,

Re: SATS Week Monday 11th May – Thursday 14th May

Wow - we're not really sure where the year has gone, but in less than a week, your child will be taking their year 6 SATs examinations in school. First of all, we would like to say a huge thank you to your children for the amazing hard work they have put in in preparation for the upcoming papers and for the resilience and determination we have seen.

We now have one final ask from yourselves ahead of SATS week. Over the weekend, please make sure your children are prioritising their sleep, getting plenty of fresh air and eating healthily. As we said before, please allow us to take the stress of the SATs and remind your children that their job is to be the '**best version of themselves**' – that is all we ask of them.

Below is the timetable for the week, please make sure your children are punctual and arrive at school on time to make the transition into the test papers worry-free. In the afternoons, we will be starting to prepare for the end of year production, which is all very exciting!

Please find attached a guide for parents in case you wanted any more information. Finally, we really are so proud of year 6 already and can't wait to enjoy all of the end of year activities with them.

We wish you the best of luck, Year 6 – **You've Got This!**

Mrs B and Miss Thomasson
