Dear Families,

RELATIONSHIP AND SEX EDUCATION (RSE) FOR PUPILS IN YEAR 6

Over the next few weeks, the Year 6 teachers will be leading lessons within Relationship and Sex Education (RSE). The talks with the children will explore how and why the body changes during puberty in preparation for reproduction, the importance of communication and respect in relationships and the different ways people may choose to start a family including the basic facts about conception and pregnancy. These topics will be handled in a sensitive and appropriate way, taking into account the age of our children. The coverage will be in line with the statutory guidance for RSE. Children will have the opportunity in each session to discuss the content and to ask questions.

These sessions will be delivered as a year group by the class teachers and our Family Link Worker, Jodie.

If you have any queries, please do not hesitate to contact the school to discuss this.

Kind regards

Lisa Stewart
