

BARWELL C of E JUNIOR SCHOOL

OUR APPROACH TO BEHAVIOUR

♥ High Expectations with Lots of Love ♥

At Barwell C of E Junior School, we expect all children to:

ACCEPT THE CHALLENGE

Face difficulties with a growth mindset and a 'can do' attitude.

BE THEIR BEST VERSION

Continually strive to improve and demonstrate good character, even when nobody is watching.

WORK ON CHARACTER

Develop values-based and emotional wellbeing characteristics.

We teach, model and celebrate positive behaviour every day.

IF A CHILD ISN'T FOLLOWING OUR EXPECTATIONS

1

REMIND

We remind children of our expectations.

2

SUPPORT & CORRECT

We support and correct behaviour with clear instructions and encouragement.

3

APPLY A CONSEQUENCE

We apply a consequence if behaviour continues.

4

TRIAGE

If behaviour is serious or is disrupting learning, your child may be triaged to a senior leader.

KEEPING PARENTS INFORMED

If your child is **TRIAGED**, you will receive a text message from school.

If you would like to discuss a behaviour incident or have any concerns, teachers are available on the **front yard** at the end of the school day.

OUR COMMITMENT

We believe that behaviour is taught, supported and developed through positive relationships.

We always aim to:

LISTEN

We listen and understand.

SUPPORT

We support every child to succeed.

REPAIR

We repair and restore relationships.

GROW

We help children make better choices in the future.
