LEARNING THAT LASTS A LIFETIME

Love thy neighbour in a flourishing school community

Wednesday 18th March 2020

Dear Families,

First of all, I would like to send my sincere apologies for the series of unforeseen circumstances that have led to the cancellation of now 3 of your child's swimming lessons. This is far from ideal for both your children and myself as PE lead in school, however I would like to commend your children on their resilience and the positivity they have shown, despite last minute cancellations.

We all know that these are extremely testing times for us all as a nation and therefore please bear with us whilst we endeavor to sort your child's swimming lessons out. Rest assured, throughout their coming years at Barwell Academy, we will ensure that they still get their required block of swimming lessons, a life skill which I feel is extremely important for our children and also a really enjoyable part of their school life.

In terms of managing the financial strain based on many families at this time, we will be issuing refunds for any families who have paid for this current block of swimming, however we ask you to remain patient with us whilst we process these refunds.

Thank you once again for your understanding over the last few weeks, another example of our Brilliant Barwell Family coming together.

Take care,

Miss Olivia Morris
