Love thy neighbour in a flourishing school community

Monday 11th May 2020

Dear families,

Before I say anything else, I want to say how proud I am to be the Headteacher at our school. I am proud of how our community and school family have pulled together and managed throughout this difficult time. I am immensely proud of our children, those who are in school each day and those working at home. I am proud, and incredibly grateful to be working with such fantastic staff who have accepted the challenge throughout everything and have always been ready with a smile and positivity. Thank you all.

I am sure that many of you watched Boris Johnson's speech last night where he unveiled the beginnings of a 'roadmap' for coming out of lockdown. As part of this roadmap, he indicated that EYFS, Year 1 and Year 6 children may be able to return to school from 1st June. Currently, we are awaiting additional guidance and information from the government about how this may happen. In the meanwhile, I wanted to assure you all that the needs and safety of our children and staff are of paramount importance and I will do whatever is in my power to take the right steps as we move forward. We are working hard to put plans in place and will keep you updated in the coming weeks.

Once again, thank you.

Kind regards

Victoria Newman
