LEARNING THAT LASTS A LIFETIME

Love thy neighbour in a flourishing school community

Friday 24th April 2020

Dear families,

I hope that you are all keeping well and are enjoying the beautiful weather that we have been having. Although I see a few children and members of staff each day, I am really missing our school family being all together. It is good to see so many of you on our School Twitter though, especially as you attempt the challenges that staff have posted.

As we do not know how long it will be before it is safe to open school fully again, we thought it may be useful to have some more formal learning available to you if this would be helpful. I do, however, want to remind you that we have no expectations of you. Whatever works best for your family to keep them happy and healthy works for us too.

However, if you feel that you would like some more structure to your home learning, our teachers will be creating work to complete each week. This will be on our school website page and will be updated weekly starting from Monday 27th April. You can find all year groups' learning pages at the top of the home page by clicking on the 'home learning' tab. In the drop down menu, you will find a page for each year group as well as a 'Wellness' page and a 'Basic Skills' page. In this section, you will also see the collection of staff videos that have been posted on Twitter each day.

If you have any queries about anything that teachers set or you would like to share any of your children's work, don't forget that we have our Staff@barwellacademy.org email address to keep in contact with staff.

Please keep sharing on Twitter what you are getting up to, it is so lovely to be able to stay connected with everyone. Stay safe everyone and I hope to see you all very soon.

Kind regards

Victoria Newman
