Active Travel Month

Here at Barwell CE Academy we are striving to **improve** activity levels, help the environment and reduce congestion during the month of October. The Active Travel Month campaign has been launched this week in Leicestershire to encourage children and their families to actively travel to school. Please take part if you can, even if this means parking slightly further away from school and walking some of the way or by finding at least one day a week where you can travel to school in an active way. When your child gets into school, they will be able to put a tick against their name each day if they have actively travelled to school by either walking or scooting.

Let's all work together to try and reduce the negative impact air pollution is having on the environment!

We would love to see your active travel photos on Twitter!

Fantastic to see so many of our children wanting to keep active... not only at school, but also on the way to and from school!!! Keep up the active-ness!!!

The answer for Mrs Bishop's Maths question last week is..... £105 who got this right!

So this weeks challenge question has been set by Mrs Baraclough...

Can you name three consecutive days without using the words Monday, Tuesday, Wednesday, Thursday, Friday, Saturday or Sunday?

Also...

What 5 letter word typed all in capital letters can be read the same upside down?

We've had an extremely busy week in school.

The staff have been preparing remote learning packs for our children, ready to try out during half term for homework, but also to be prepared in the event of any bubble isolations and lockdowns. Keep an eye out tonight for all the stationery and passwords in your child's pack.

Hope you all have a great half term, and look forward to seeing you all again on October 26th.

Is your child interested in learning to play a musical instrument? We have a local company called JAM come into school each week, teaching children to read music, and learning to play musical instruments, including the Guitar, Keyboard and Ukulele.

If your child is interested call 01455 841696 / 07789 566335.

Mrs B is very impressed because this half term we have taken 1936 Accelerated Reader quizzes in school. Well done to everyone! Brilliant reading!

Miss Thomasson has been super impressed with her class this week, having had a different teacher in class, and behaviour being super fab. Well done 3T

Mr Manley would like to say how proud he is of 4M this week, with the effort they have made whilst writing their end of Learning Journey essays. Quiz our year 4's on Leicester, hopefully they will have all the answers!

Look after each other and everyone stay safe !
