December 2020

Dear Year 6 families,

**NEW DATES: Year 6 Residential Visit to Boreatton Park "2020"
Monday 21st June – Friday 21st June 2021**

Unfortunately, there has been a recent update regarding overnight educational visits during Covid-19 and the current guidance is that there should be no residential visits until at least after the Easter break in 2021.

For this reason, we have made the decision to make another change to the dates of the trip in order to give our children the best chance of having their residential experience during Year 6. **The new proposed dates for the trip are Monday 21st June – Friday 25th June 2021.** At this time, we still do not know for certain whether the guidance regarding residential school trips will change in time but we feel that by moving the residential visit to later in the academic year, it gives us more chance that the trip will be able to take place. We will keep you informed regarding the trip's status as/when the government's guidance changes.

If the guidance does change so that the trip is able to take place, we will then make our school arrangements and plans to ensure that we are confident that the trip can take place safely for all involved.

There are no changes in the price for the residential and you can continue to make payments via ParentPay at your leisure but they will need to be completed before our departure. As we mentioned in our letter in March, if the residential is unable to take place due Covid-19, all payments that families have made will be refunded in full.

If you have any queries, please do not hesitate to contact us.

Yours sincerely

Miss Thomasson
