Love thy neighbour in a flourishing school community

September 2021

Dear Families

MATHS TEXTBOOKS FOR SALE

I have an exciting opportunity for you to purchase our Maths No Problem textbooks.

Due to the pandemic, our school now has electronic versions of all the textbooks so we no longer require the paper textbooks. We would therefore like to offer you the opportunity to purchase them. For £10.00, you will get two textbooks which covers a year group's mathematics curriculum. Each lesson has an "In Focus" question and some Guided Practice questions – like we use in class. If you were to buy them directly from Math No Problem they would cost around £20.00, so two textbooks for £10.00 is a bargain!

You can buy your child's current year group's textbooks plus any additional years because once they are sold we will not be getting anymore. All our copies are in very good condition. We will work on a first come, first served basis and all the money will go back into school funds.

Alongside White Rose, we still use Maths No Problem in school and the textbooks will be a great resource at home for your child to work through. They are high quality textbooks which I hope your child will benefit from. They might also be useful for you as parents to see how we teach and break down our mathematics curriculum.

I have included some pictures below to show you an example of the textbooks.

High Street, Barwell, Leicester. LE9 8DS

If you would like to buy these textbooks please can you pay via ParentPay – under the heading ‘Maths Text Books’. Each year group’s books will have different heading - you can purchase all four year groups if you wish.

If you have any questions, please contact me.

Kind regards

Lisa Bishop
